Balayya: Hello Aishwarya jee, I am balakrishna

Aish: WHO???

Balayya: It is me Aish jee, late N.T Rama Rao son. You don't know me?

Aish: Which one? I heard he's got almost a dozen of them.

Balayya: Even I don't remeber which one. Do you read news papers?

Aish: Yes, I do. why?

Balayya: I did shooting last year and it came in all newspapers. It was shown in TV also

Aish: Oh... So you just started ur career?

Balayya: ababa nee yabba. No Aish jee. I mean not film shooting. Gun shooting.

Aish: What? You shot someone?

Balayya: Yes. I shot the producer and one more guy. but i shot in the back seat. So no death happened. You don't worry. I don't shoot heroines

Aish: You shot someone and You still doing films? How come? Aren't u supposed to be in Jail?

Balayya: hahahaha. kya Aish jee. tum bhi. I said I have mental. but in real I dont have mental. I just acted. very big action. It is in our family.

Aish: What is that in your family? Mental?

Balayya: No Aish jee. Action is in our family. in our blood.

Aish: oh!

Balayya: And they really belived i am mental. hahaha

Aish: You bet. I have already started to believe it.

Balayya: what?

Aish: Nothing. You go ahead

Balayya: I want u act with me as heroine in my new film.

Aish: Let me see ur pic? where can i see it?

Balayya: You go to www.ihatebalayya.com and see my pics. I am dancing with katarnak kaif.

Aish: Yeah. I am there. What do I have to look for?

Balayya: I don't know. I don't know internet. My director showed me on his computer

Aish: Oh! Ok I will find myself. By the way it's katrina kaif not katarnak kaif: But I call ker kathi. It is easy for me.

Aish: You look very short. How tall are u?

Balayya: 5'5"

Aish: What?? I am 5'9"

Balayya: So what? I wear very high heel shoes. always u dont wear shoes. Problem solve. You acted in one movie with salman no?

Aish: Yeah but he has a great body and u r a fat azz with a big tummy

Balayya: That no problem. I never do in-shirt. Always shirt outside only

Aish: Was that a wig u wearing in the pics?

Balayya: Yes. I have hair. But not enough for films you know. But don't worry. I have hair all over my body except on head.
